Recommended Exercises 1

The following exercises from the text book *Basic Proof Theory* are recommendable:

- 2.1.8A (These are review exercises in Natural Deduction).
- 2.1.8H
- 3.1.3A
- 3.1.3B (Compare to proofs in 2.1.8A)

Note: Solutions to certain exercises can be found in the text book. The solutions are not to be handed in!
